We will arrange all of your flight and accommodation dates and details with your ground transportation, once your IVF cycle has been scheduled.

**Accommodation is subject to availability*

Your IVF cost is a separate charge -Included in this cost:

- All medical consultations, private hospital fees, anesthetic fees, theatre fees, IVF laboratory fees, scans, blood tests while in Barbados.
- ICSI, Assisted Hatching, Blastocyst, Embryo Freezing are an additional cost.

We endeavor to provide treatment in the month of your choice. However, in order to treat every couple with the attention they deserve, we can accept only a certain number of people each month. For all the IVF holiday packages, you **MUST** arrange your own Travel Insurance.

Healthy Mind & Body Program:

Included in the Premium and Elite holiday packages, and an option for an additional US \$1,350.00 in the Comfort and Luxury Package, is the relaxing *Healthy Mind & Body Program*:

Approximately every two days you will receive a pre-booked and scheduled Mind/Body treatment to aid with the release of all pressures. During this program you and your partner will experience the divine unwinding with a massage each by one of our experienced massage therapists, one hour of reflexology treatment for each, one hour acupuncture treatments to release all strains for each, and pre and post embryo transfer acupuncture for her. Included in this course is the meeting with our psychologist who has been specially trained in this area. She will train you as a couple to alleviate the negative emotions and stress associated with infertility by teaching you new skills and methods to restore your sense of control over anxiety and physical tension.

Once package is booked:

Upon arrival in Barbados you are met at the airport and taken by private car to the hotel of your choice. Each couple is given a programmed cellular phone to enable you to contact us at any time, but of course giving you the freedom to enjoy being on holiday. Additionally, you will be given an appointment schedule with collection times for your transportation to and from all appointments. Nothing to do now but go and have a welcome sumptuous island beverage, kick off your shoes, stroll down the beach and begin a lovely Caribbean holiday!

Throughout your stay on the island you can be in contact with me or any of our Medical Team for any questions or queries via the provided cell phone. I am here to guide you through every step of your holiday and it is my aim to ease you through every transition from the moment of arrival until final departure from our beautiful island.

After the 14 days have passed and both medical treatment and recreation is complete, a private vehicle will whisk you from your hotel to the airport easing the exchange from Barbados to home and minimizing the stress associated with travel.

Once you have arrived home you will receive a follow up email or call from me to ensure a safe arrival home. It is now that we all wait anxiously for the much awaited pregnancy test results. Both a positive holiday experience and result is expectant!

Kindest regards,

Danielle Wilson
